

THERFIELD PARISH COUNCIL

Main Points of Discussion at Meeting of Tuesday, 9th March 2021

3 Members of the Public present

1. **Footpaths:** Substantial damage has been caused to the BOAT at Hoops Lane and Chapel Green footpath by inappropriate use of 4x4 vehicles. Signs had been put in place. These have been vandalised and shot at. Police now involved and VDU cameras installed.
2. **Heaths and Greens:** Cllr Jarvis reported that funding was available and 10 bollards were scheduled to be installed at the access point to the heath on New Road. This would restrict parking to one side of the road.
3. **Millennium Village Sign:** The Council voted unanimously not to take on completion of The village sign at this time and the cheque would be returned to the Thespians. This was with regret but it was agreed that it would be inappropriate for the council to take on this project with retrospective financial obligations.
4. **Planning:** Applications received from Lammas Cottage and Forge House. No objections.
5. **Highways:** Repairs were to be carried out March/April from Meadow Way to A10 and Dane End.

Date of next meeting to be held via Zoom - Tuesday, 4th May, 7.30pm.
