

THERFIELD PARISH COUNCIL – CHAIRMANS REPORT 04/05/2021

My first task in this report must be to say a big thank you to all of my fellow councillors for their hard work during the last fiscal period. Everyone has been working extremely hard during lockdown which has been much appreciated by me and, I hope, the majority of the village.

Secondly, thanks also must go to our Clerk – Helen, who has handled new and existing processes very well under challenging circumstances. Again, many thanks for your continuing efforts for our parish.

I also wish to thank all the villagers for their continued vigilance and conformity during the lockdown/pandemic. As far as I know there have been no major issues due to the pandemic and also very few cases of the virus in the village. With a large proportion of the village now having had at least one vaccination, we are hopefully coming out of this challenging part of our lives and hopefully, back to some form of normality.?

We now look as though we may be able to hold the next meeting at our usual venue (the chapel) and so I look forward to meeting everyone in person next time.

In the interim and until everyone in the village has been vaccinated, please continue to be vigilant and keep safe.
